Thanks. He and I spoke as well about his advisory business and whether or not we would work with him. I said "yes", as long as we were not transacting in JE accounts.

Been playing phone tag with Jeffrey. Hoping to connect this afternoon. In the meantime I am working on a summary of all accounts for them.

I'll find out if they have a similar structure elsewhere.

Subject: JE

We need to put a letter together to lay out timeframes for JE's exit. Cash activity is top priority - sooner is better and within 30 days is target.

Can you talk with Harry to see if they have a parallel account structure (same as ours) at another bank. This would make transition easy. Thx.
